

KENNINGTON

FILM STUDIOS

Updated COVID-19 Procedure - July 2021

- Every person must provide proof of a negative COVID test results (be this Lateral Flow or PCR) on arrival at the studios. A photo of these results must also be sent to andy.halle@kenningtonfilmstudios.com
- We can facilitate rapid COVID tests on arrival if needed - be this a NHS lateral flow (free of charge) however results do take 30 minutes to come through so we advice hoe testing
- Every person to wear masks and PPE in all areas of the studios and “two metre/one metre+” rule will apply in all areas.
- One-way system has been implemented at the studios and maximum numbers applied to each area of the facilities. Numbers outlined below:

Studio 1: 20 people (areas & zones must be marked)

Studio 2: 7 people

Studio 3: 4 people

Green Room 1: 3 people

Green Room 2: 4 people

Green Room 3: 5 people

Green Room 4: 2 people

Production Office: 3 people

Reception: 8 People

Makeup Room: 3 People

*Please note there are also separate toilet facilities in Green Rooms 1, 2 and 3.

- Sanitizer available throughout the building, including 2 electric sanitizer stations.
- Daily cleaning procedures are in place with a full electrostatic cleaning spray-down every week.
- Further details of [our guidelines can be found here.](#)
